

Drury Plaza Hotel - Columbia East

Below are our new capacities with social distancing. We can fit (1) person per 6ft table and (3) per 72" round table. We had a meeting with (50) people last week and attached are a few photos. All F&B must be prepackaged and grab & go style so our new F&B packages for the time being are attached. Our clean & safe initiatives in the hotel and guest rooms are attached. I would be happy to set up a tour to show the social distancing please let me know if they would like to J
